Letter of Appreciation

Dear Mehmet Can Güneş,

On behalf of the Dutch Tax and Customs Administration, we would like to thank Mehmet Can Güneş for participating in our Coordinated Vulnerability Disclosure program. For that, we present this letter of appreciation to Mehmet Can Güneş.

At the Dutch Tax and Customs Administration, we consider the security of our systems a top priority. But no matter how much effort we put into system security, there can still be vulnerabilities present. For that, we warmly welcome people like Mehmet Can Güneş as a participant in the Coordinated Vulnerability Disclosure program.

We appreciate not only that you have reported a security issue to us but also that you have professionally done this.

With kind regards,
Security Operations Center
Dutch Tax and Customs Administration
